VENTRILOQUIST DARCI LYNNE WINNER ON 'AMERICA'S GOT TALENT' SATURDAY, MAY 5

(Fort Myers) - Ventriloquist, Darci Lynne will perform at the Barbara B. Mann Performing Arts Hall at FSW on Saturday, May 5 at 7PM.

Darci Lynne is the youngest contestant to ever win "America's Got Talent." Following AGT, she sold out her headlining show in six minutes, having to add more shows. She is a young ventriloquist who is inspiring the next generation to keep it alive.

Growing up in Oklahoma, Darci has always been close to her family and relies on their support and encouragement. In her younger years, she had a timid demeanor that she was able to overcome through talent-based pageants. She was soon introduced to the art of ventriloquism and decided to try it out for herself. After only having her first puppet for two weeks, Darci was determined to audition for her first talent show never knowing it would lead her to audition for the biggest talent show on earth.

Darci dazzles the audience, leaving them with smiles on their faces. She is so grateful to her mentor Gary Owen and her vocal coach Tiana Plemons for all they have done for her. During her "America's Got Talent" audition she received the golden buzzer sending her straight to the Quarterfinals. Her winning final performance has over 21M views on AGT's YouTube, more than any other finals performance on the show.
