Daniel O'Donnell: Back Home Again Tour: February 13

Daniel burst into superstardom in the USA back in 2002 with his first ever PBS special – *The Daniel O'Donnell Show*. That began a special relationship between Daniel and PBS and since then, he has recorded a further twelve specials, with '*Stand Beside Me*' being his thirteenth one in 2013. *Stand beside Me* is a concert celebration of Irish, country, gospel, rock, movie and long-time Daniel O'Donnell favorites. The title '*Stand Beside Me*' is not only a popular song among concert goers, but also reflects Daniel's belief that fans throughout his more than 10 years on PBS have brought him to where he is today, standing beside him making his career a success and he will be forever grateful to them. The Irish singer made record-breaking chart history earlier this year by becoming the first recording artist in the

history of the UK Artist Album Chart to have charted at least one new album every year since 1988, an unprecedented and unbroken 29 year span, surpassing everyone from Michael Jackson, the Rolling Stones, Madonna and Irish strongholds U2. In total, Daniel has now reached the UK Artist Albums Chart with more than **35** albums and has now amassed **THIRTY** Top 30 albums over the course of his career.

Performance Date: Tuesday, February 13 – 7:00PM
