A Wizard, A True Star. The title of Todd Rundgren's 1973 solo album aptly sums up the contributions of this multi-faceted artist to state-of-the-art music. As a songwriter, video pioneer, producer, recording artist, computer software developer, conceptualist, and interactive artist (re-designated TR-i), Rundgren has made a lasting impact on both the form and content of popular music.

His most recent studio album, *GLOBAL*, was released in April 2015; his latest studio album, *White Knight*, is set for release in Spring 2017. He continues to tour with Ringo Starr as an erstwhile member of the All-Starr Band, and to perform with symphony orchestras both domestically and internationally.
