TEDESCHI TRUCKS BAND APRIL 12 TICKETS ON SALE FRIDAY, JANUARY 26

(Fort Myers) – Tedeschi Trucks Band will perform at Barbara B. Mann Performing Arts Hall at FSW on Thursday, April 12 at 7:30PM. Tickets go on sale Friday, January 26 at 10AM and will be available at the Box Office, online at www.bbmannpah.com or call 239-481-4849.

Now in their eighth year, Grammy-winning Tedeschi Trucks Band has earned their reputation as one of the premier live acts touring today. The 12-piece ensemble, led by the husband-and-wife team of guitarist Derek Trucks and guitarist-singer Susan Tedeschi, is a true collective; a rarity in rock-and-roll with every musician featured nightly while serving the band’s unified vision, pushing the boundaries of group dynamics and improvisation to inspiring new heights. Praised by reviewers for their “joy-filled blast of blues, soul and rock” (Philadelphia Inquirer) and “stellar musicianship” (Denver Post), TTB is a touring juggernaut, on the road over 200 days a year and never playing the same set list twice.

Their latest release, *Live From the Fox Oakland*, (2017) – a CD and film – was recorded in a single night at a show that fans and band members all regard as one of their finest performances to date. The double disc live recording showcases the band’s ability to move seamlessly from blistering rock and blues to soulful ballads and includes their take on classics from Derek and the Dominos, Leonard Cohen, and even Miles Davis among TTB’s original songs.

Live From the Fox Oakland, which debuted at #1 on Billboard’s Blues and #6 on the Rock Albums chart, follows four critically-hailed and commercially successful TTB albums, including their Grammy-winning inaugural studio effort *Revelator* (2011), and 2016’s *Let Me Get By*, the first to be solely produced by Trucks and written in house in the TTB family and called by the Associated Press “one of the great records of the year”.

Performance Date / Time: Thursday, April 12 – 7:30PM*

Ticket Prices: \$125* \$99.50* \$69.50* \$59.50* \$49.50*
